A LETTER TO A FRIEND OF ELEVEN YEARS

Dear Friend:

The high school faculty voted to dedicate the 1986 Maroon and Gold to Mr. Roy Holland, an individual who has implemented, directed, and enforced the educational policies of the Board of Education for the past 11 years as principal of G.H.S.

We want you to know that for over a decade, we feel you have been a successful leader. You have encouraged your staff to excell. You instilled in GHS students that there is a limit to their achievement, but none to their attempt. We don't want to tell you what you have done for eleven years! Why say — You took us through Middle States; you refined our grading policy or that you enforced our disciplinary code to the "letter"; because to you, it was the only way to get the job done. A job that you took pride in doing, a job that was executed with a genuine concern for all involved. One simply need to "look at GHS" and know that doing your years of service you made us realize that the surest way to fail is to be determine to succeed — to master that preeminent road to success.

As you leave your family of students, teachers and parents, we want you to know we appreciate the time, accomplishments and efforts you expended upon us. We realize that one of your secrets of success was your constancy to purpose. You frequently said, "someone must be the heavy," and in so doing taught us to accept respnsibility for our failures as well as for our successes. We will miss that someone-that person who had an opened-door policy, that person who at times had to say 'no', but ten minutes later could greet you with a smile.

Your 11 years will become a challenge to us. A challenge to continue to uphold and improve the educational enrichments you gave us. A challenge to always think positive and to plan ahead!

As you retire, leave us knowing: you have given us the formula for success in enriching the minds of our youth, and that you have our appreciation for the service you rendered as you so amicably fulfilled the job of principal of Glassboro High School from 1975 to the present.

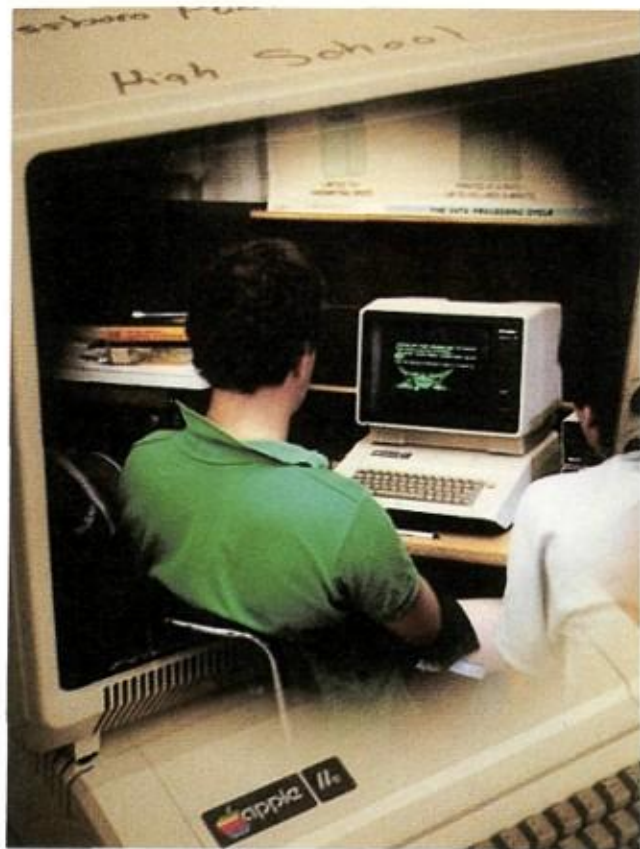

Adieu,

The GHS Family

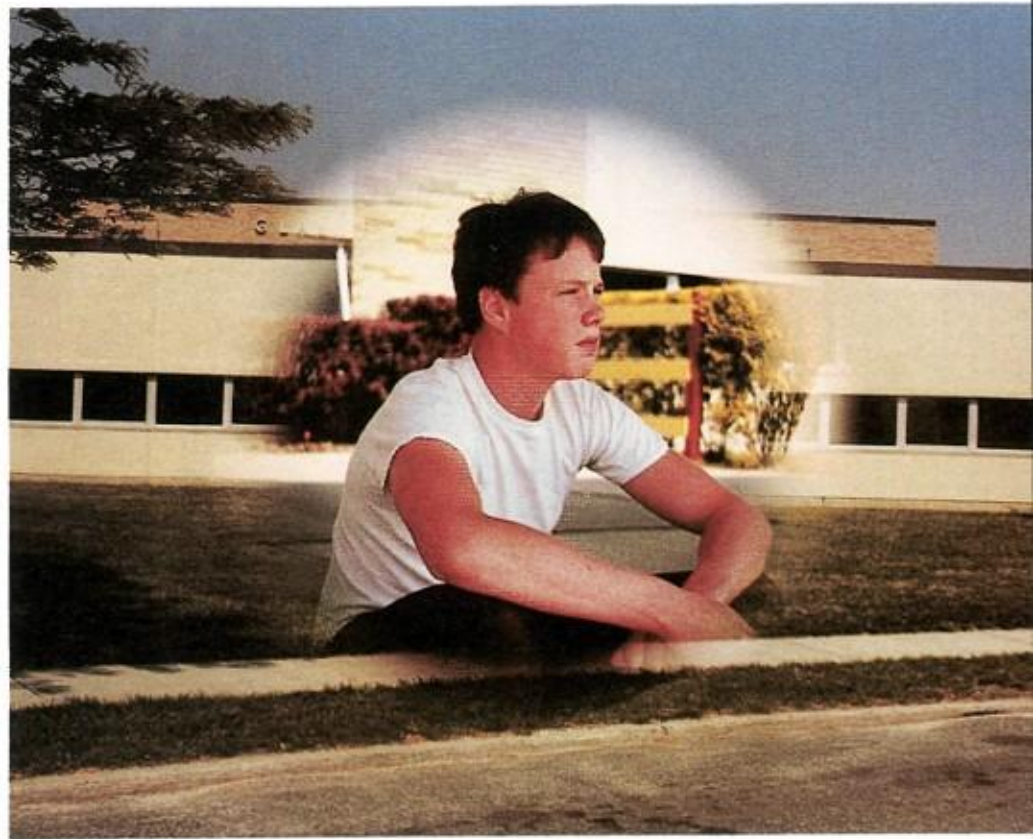

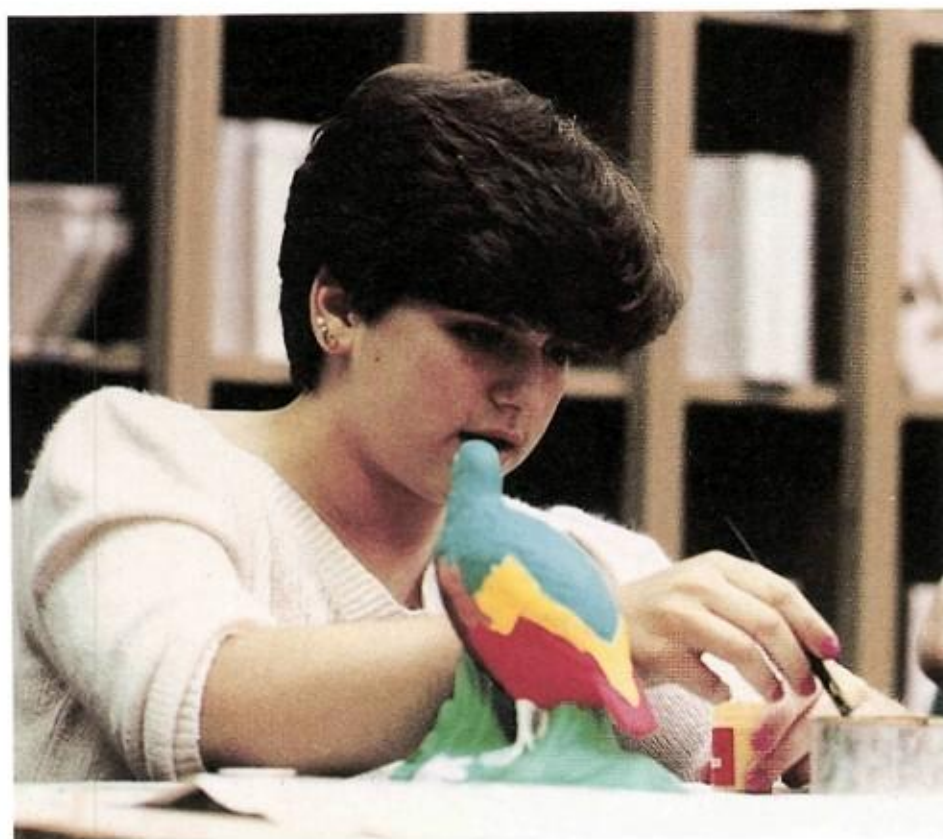

FRIENDSHIP!

*Friendship is the greatest
gift bestowed upon us,
next to Life itself.*

It is something that must be nurtured and cared for.

*For when all else is stripped
from us, when we finally
stand face-to-face with reality;*

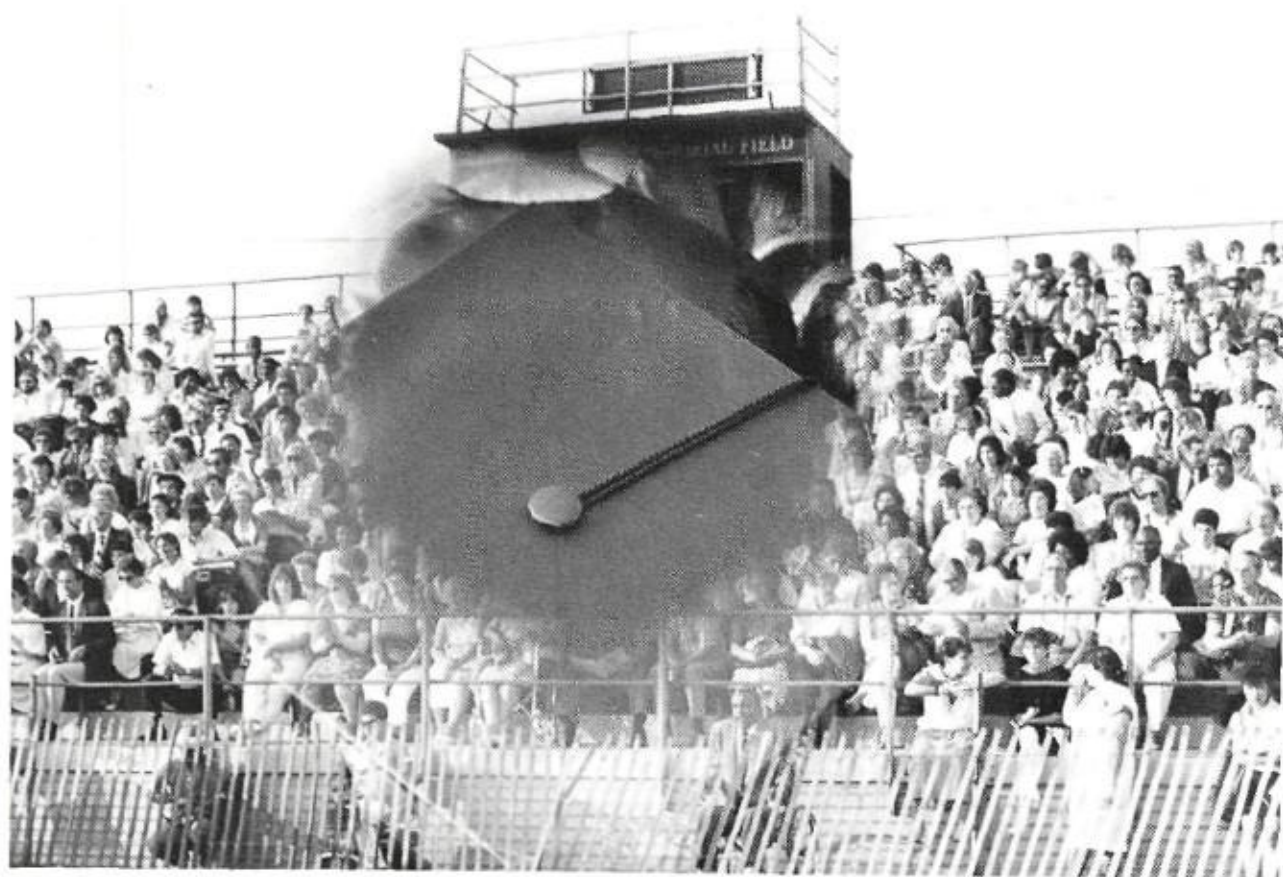

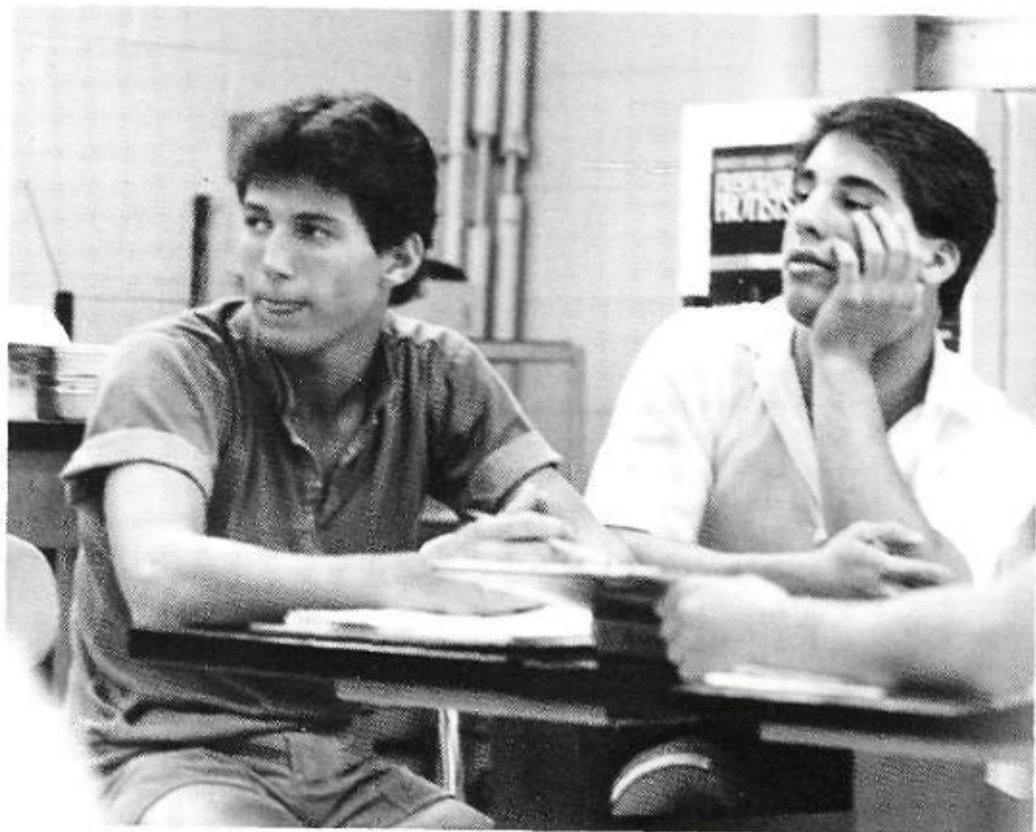

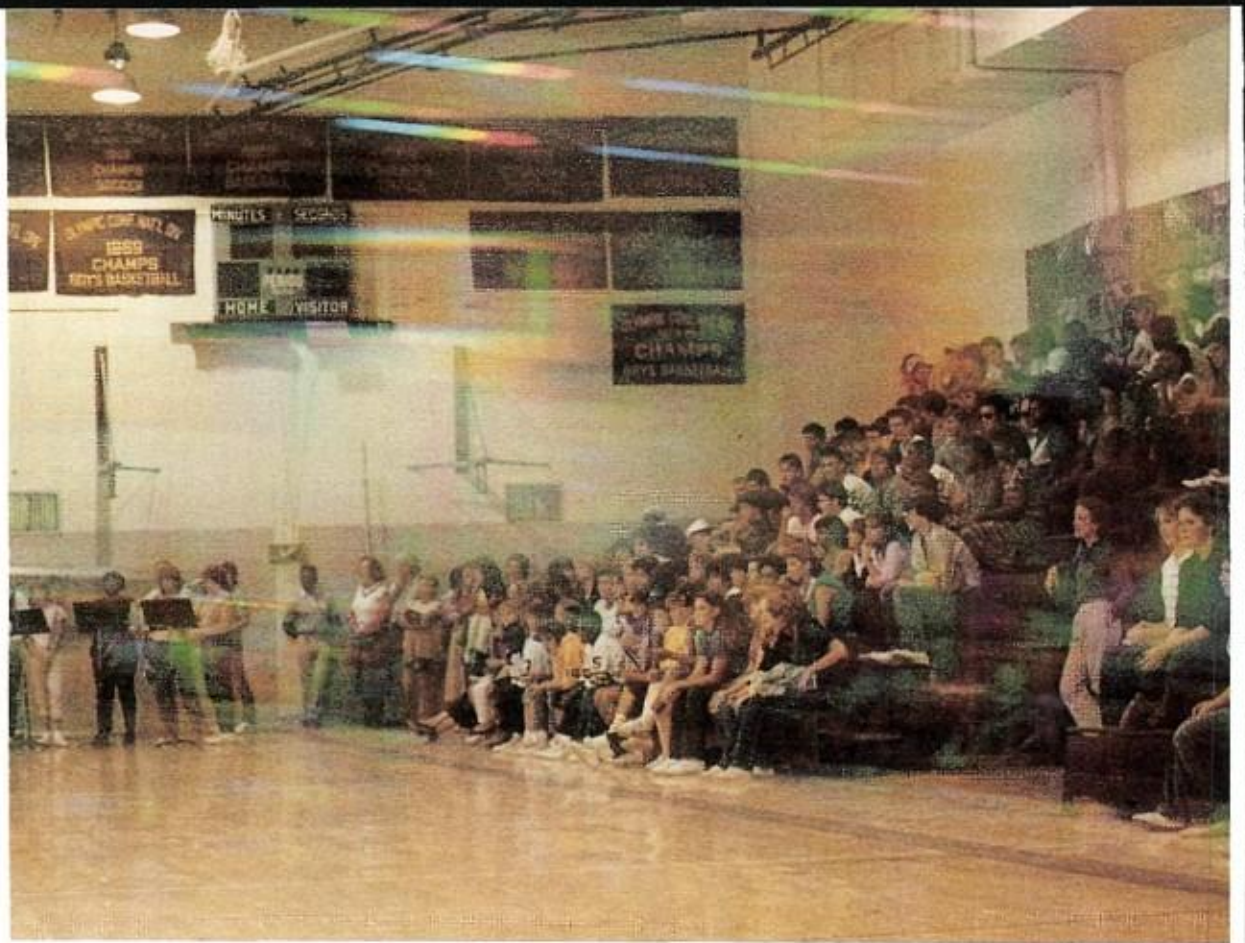

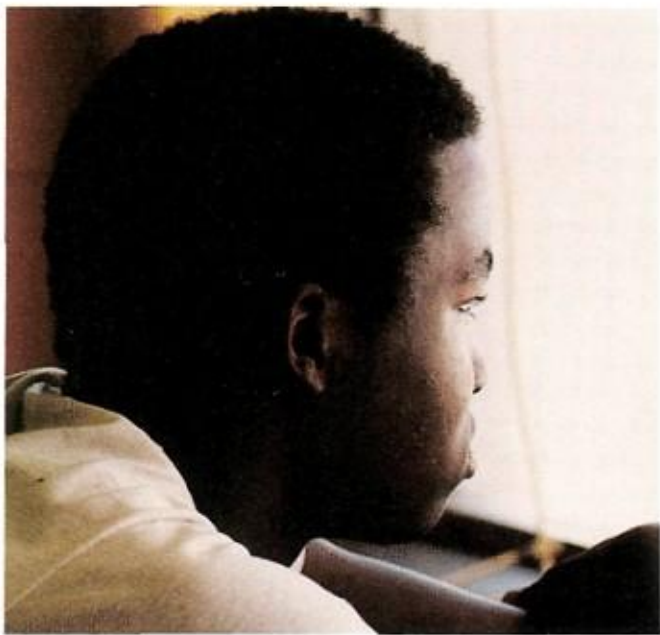

Glassboro High School
Diploma of Graduation

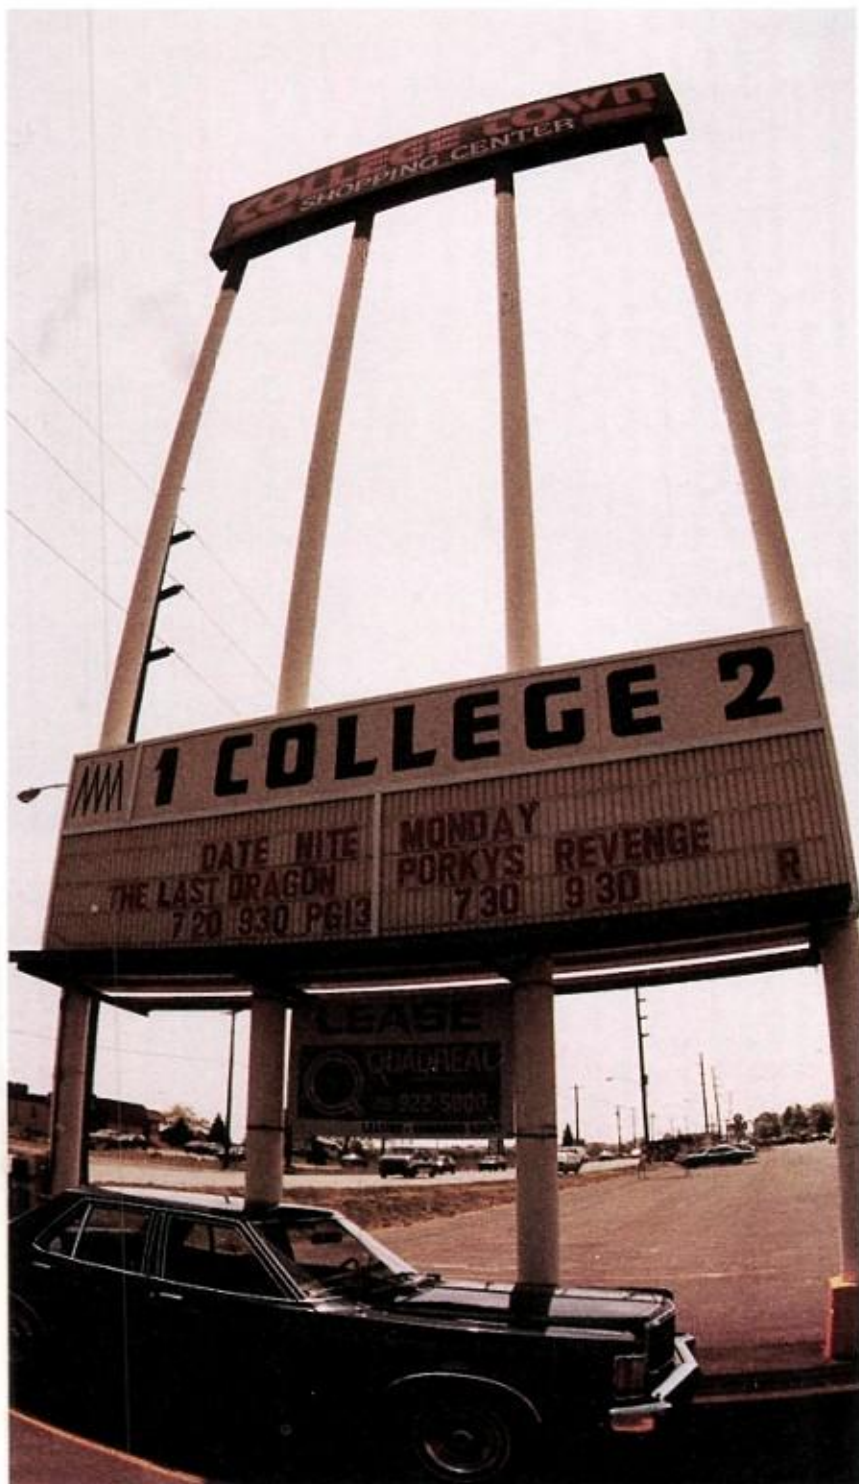

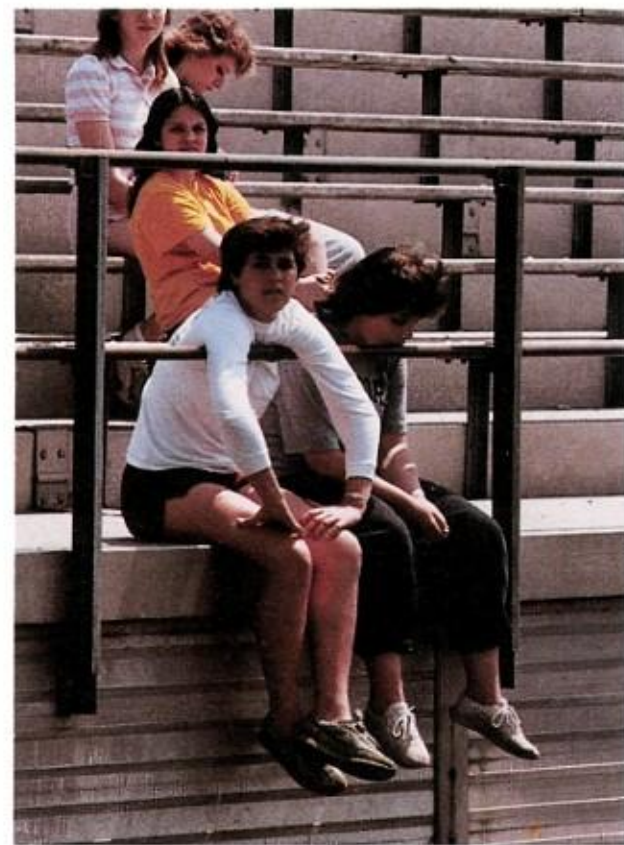

*There still stands
a friend.*

*When we fear our unknown
paths of Destiny, we can rely
on our friends to help us
overcome our fear of the Dark.*

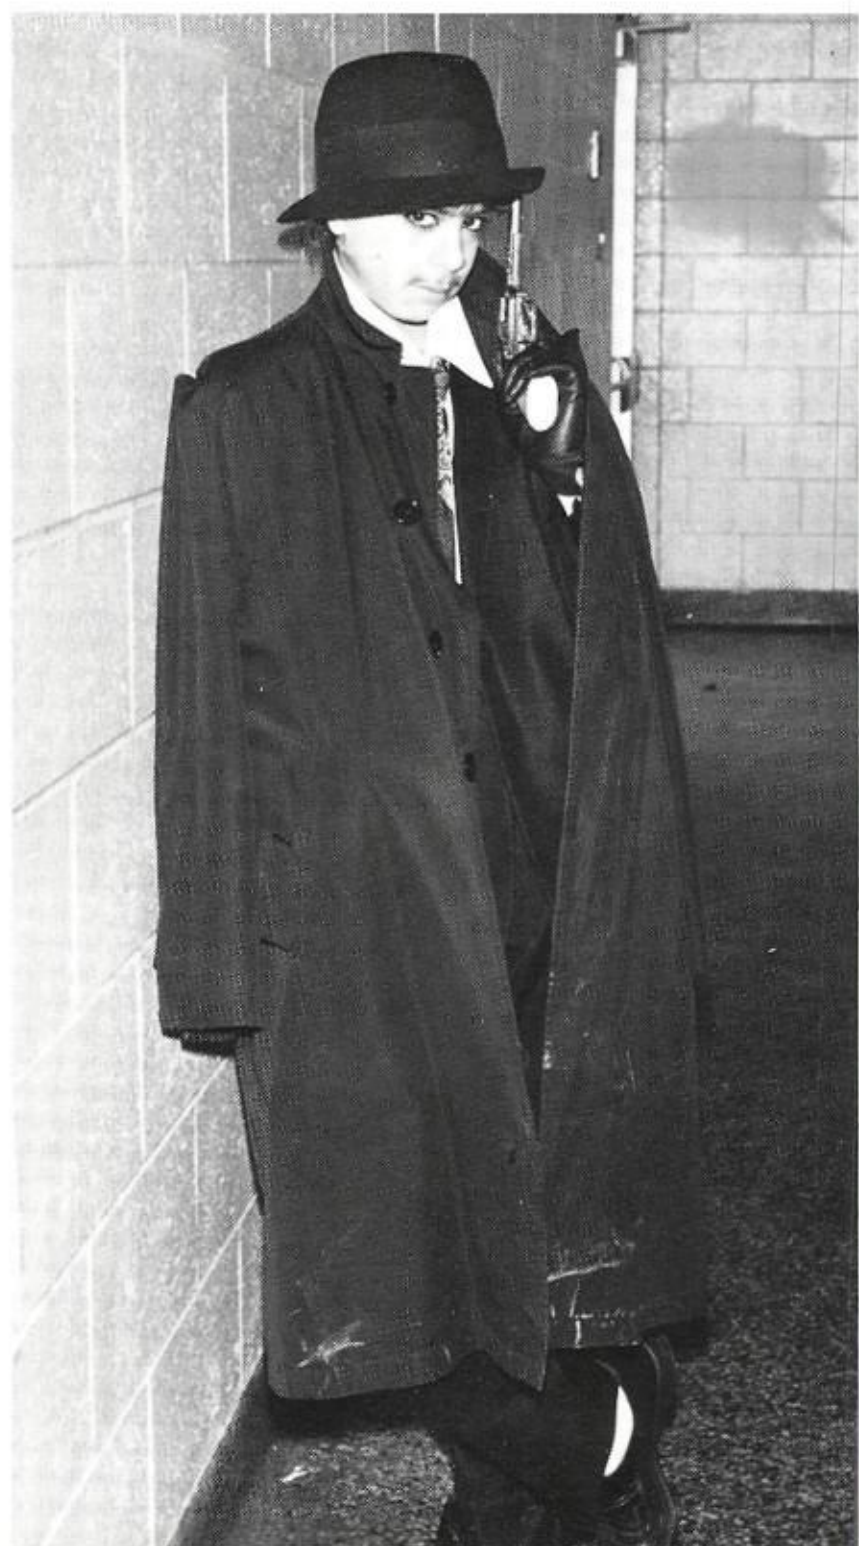

A Friendship is not something we must endure, but rejoice in.

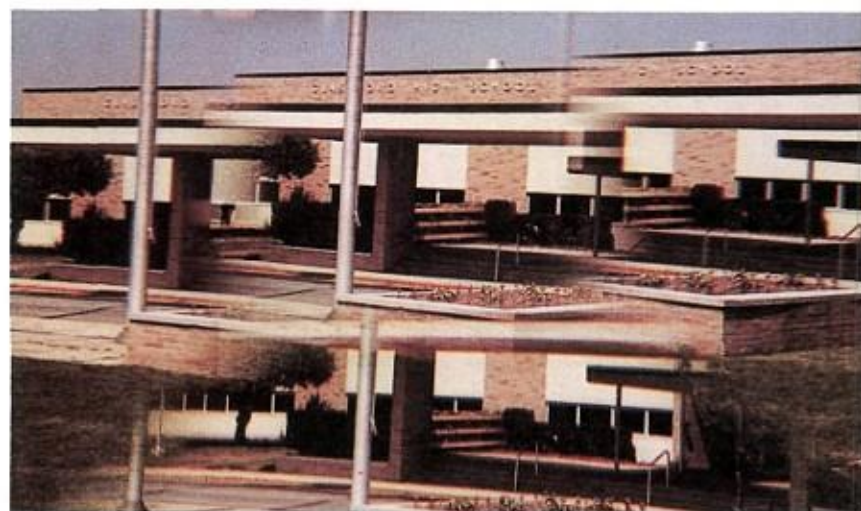

*A friend is someone with
whom we can walk the rocky
paths as well as the smooth.*

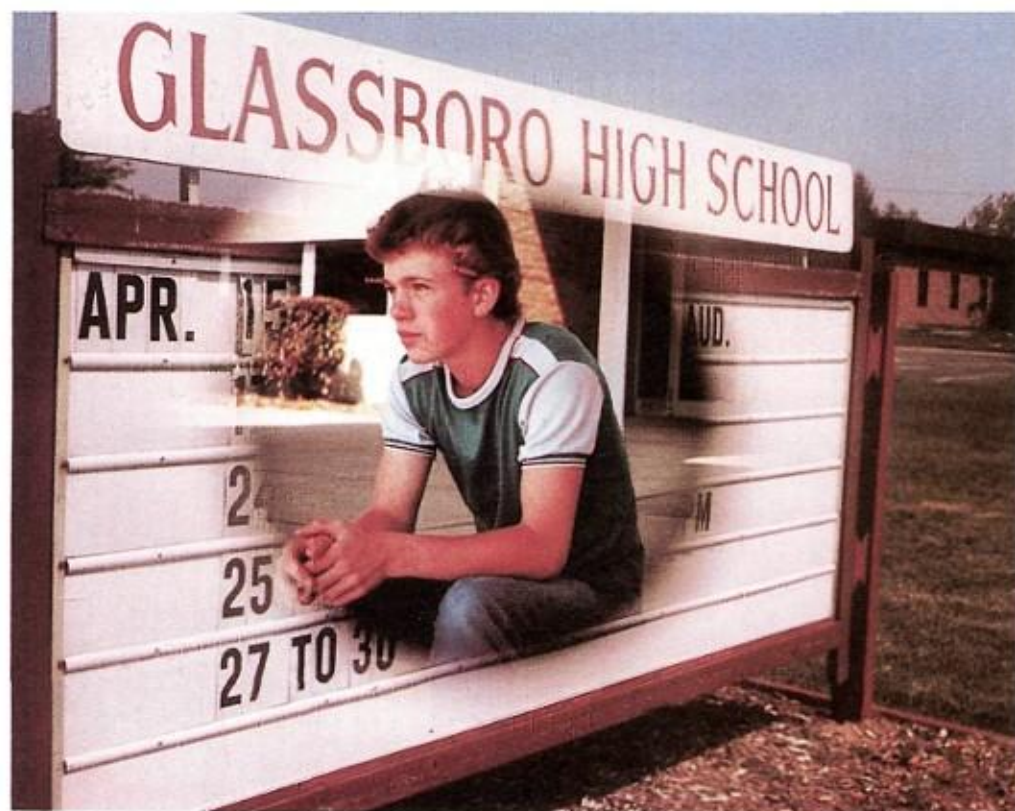

*When the pains and defeats
of life seem too much, friends
make it worth the fight.*

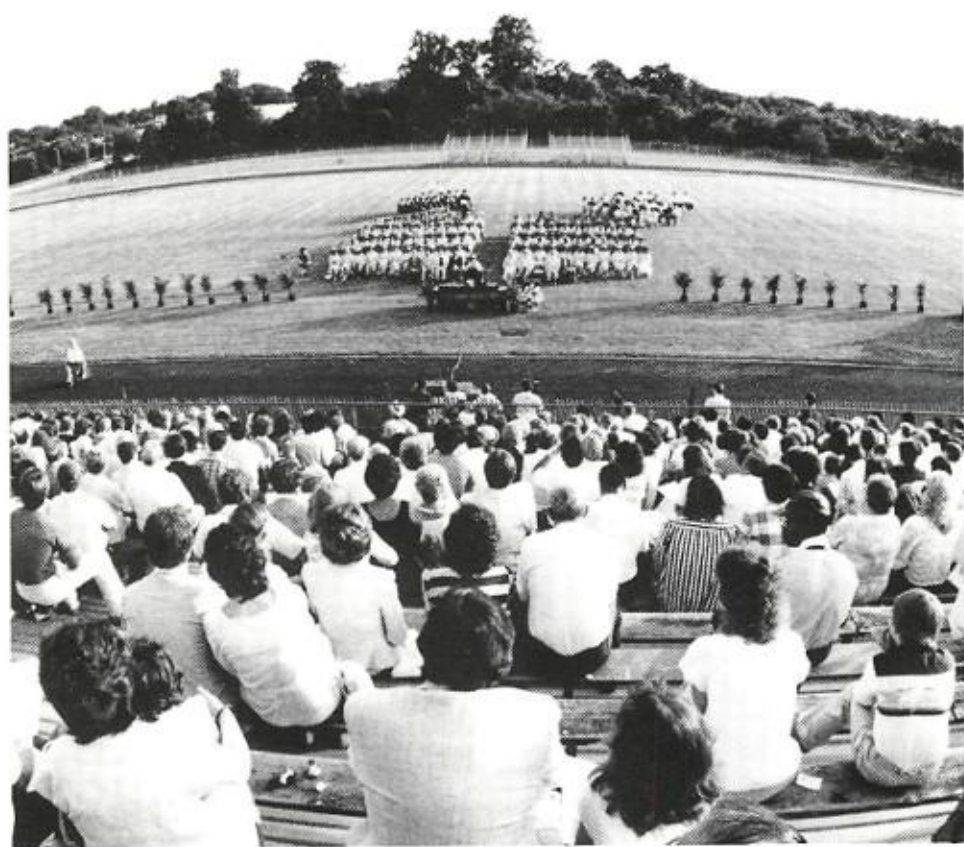

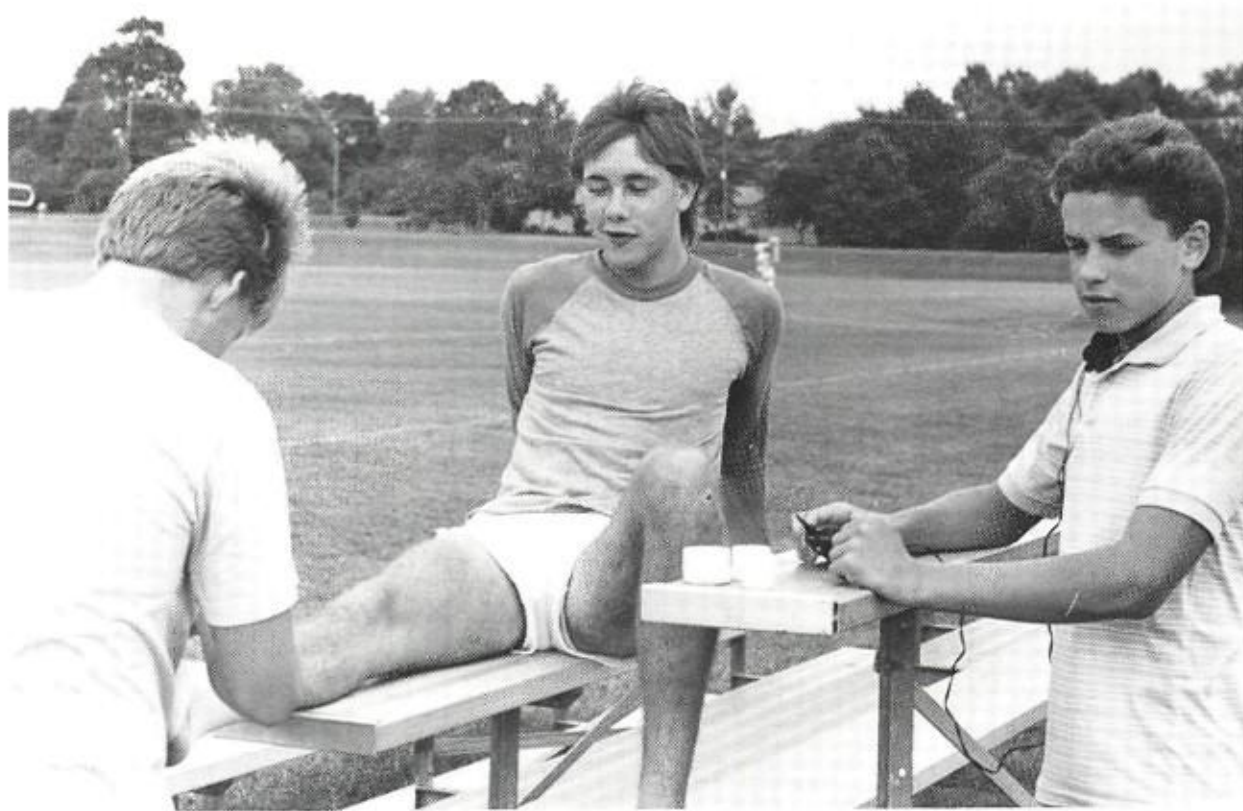

*A Friend is someone who
will walk with us hand-in-
hand through the shadowed
valley of doubt.*

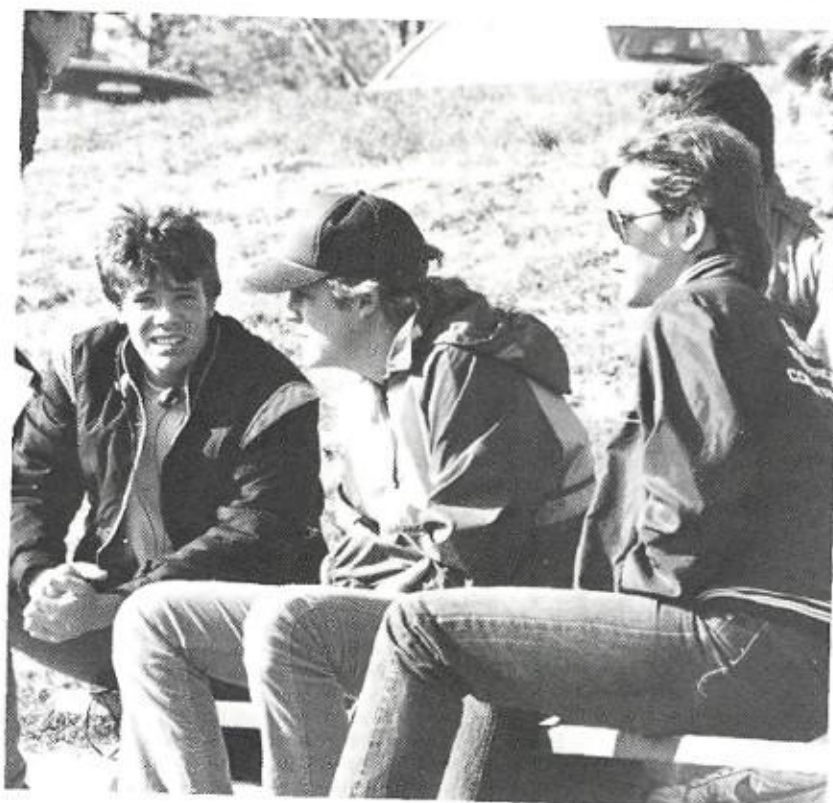

*Someone who will stand by us,
and respect us for who we
are; not what we seem to be.*

*When night descends upon us,
and shrouds us, a friend
will dare to lift the veil and
show us the light.*

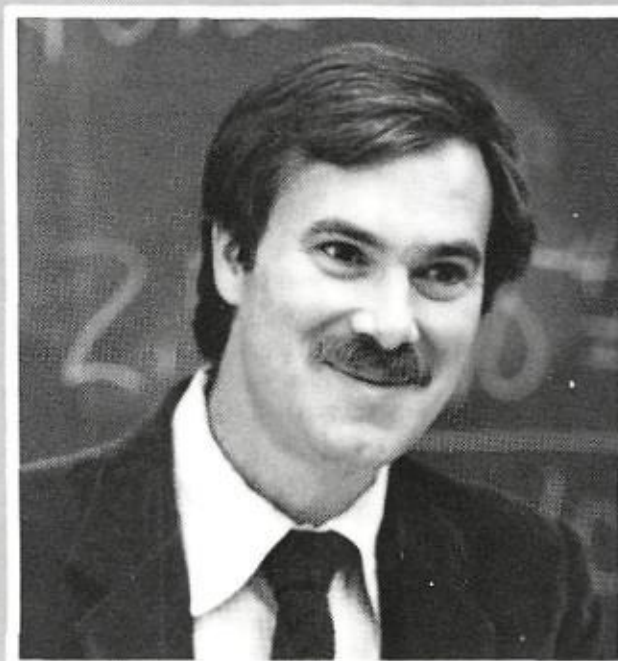

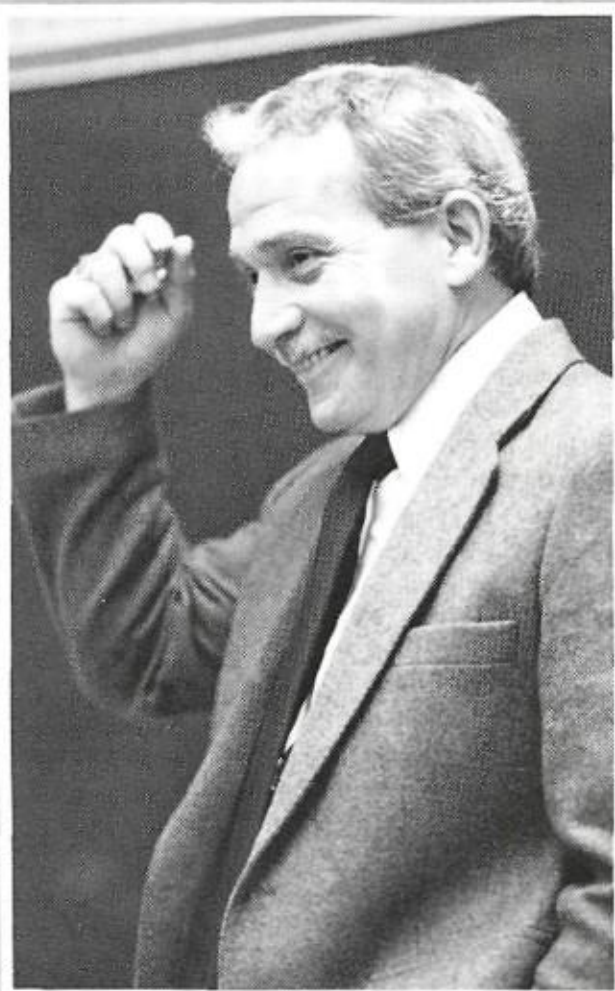

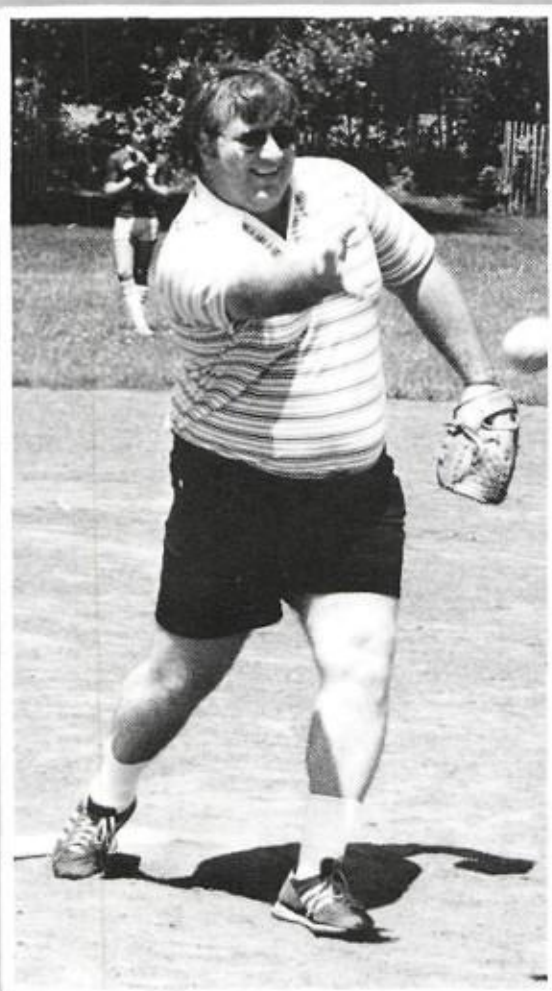

*When we are blind, a friend will
give us sight.
Friends are life, and friendship;
the food that feeds the soul.*

The National Honor Society is an honor given to a selective group of students on behalf of the school faculty.

Selection to N.H.S. is based on four criteria: scholarship, leadership, service, and character. To fulfill the scholarship requirement, students must have a 3.5 cumulative scholastic average. Academically qualified students are then evaluated by the entire faculty in the areas of leadership, service, and character.

WINNING FLOAT

E.T. ... The Seniors

The Wizard of Oz ... The Juniors

Ghostbusters ... The Sophomores

And the winner is ... Miss Annalisa Bowers! Chosen as the 1985 Homecoming queen, a winning day had just begun. As the Homecoming festivities continued, the Senior Class gripped the win for the 4th consecutive year, with their tremendous float version of E.T. The totally perfect day was brought to an all-time high when Glassboro chewed up Shalick with a 27-6 victory.

For the grand finale, the S.G.A. sponsored an exhilarating dance to glorify the achievers, to inspire the losers, and conclude a very rewarding Homecoming!

MANY THANKS, MRS. RIDOLFINO

Mrs. Ridolfino,

When we needed someone to lead us through our final year, you were there for us. Our Senior year was a very demanding one, but you helped to make it much easier as you stood by us. Our projects and activities ran smoothly under your leadership and organization. Without your help, our accomplishments would not have been possible. Thank you for being there and keeping us on our toes. Your driving spirit was something we could not have done without. You, too, were a friend- easy to talk to and easy to work with. We're glad that when we needed someone to take over you were picked for the job. No one else could have done it better! We'll never forget what you've done for the Class of '86 and we hope the future brings you many good things!

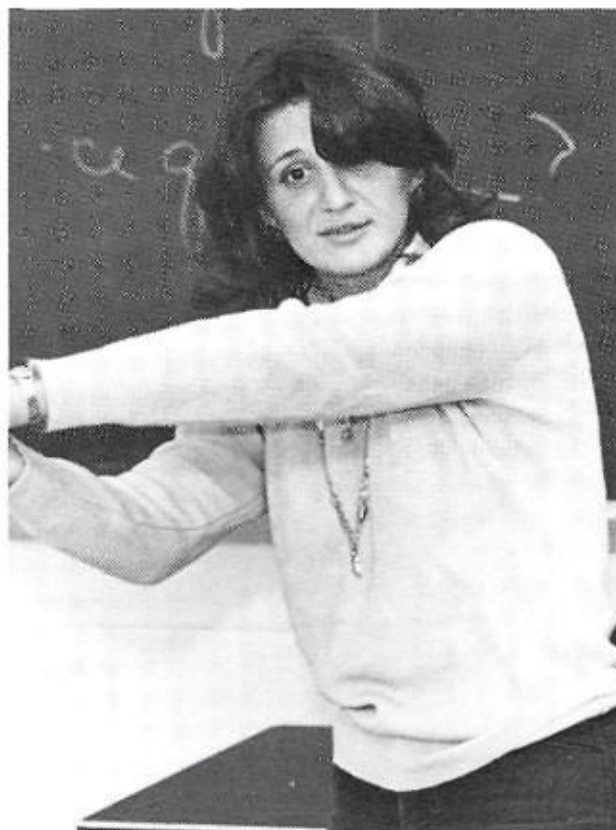

Ruth Lockbaum
Class President

THANK YOU MISS MATTIOLI

On behalf of the class of nineteen-hundred and eighty-six we would like to express our deepest appreciation to Miss Margaret Mattioli.

Miss Mattioli, you were with us in the very beginning, and gave us three years of guidance, that certainly has not gone unnoticed. When we first started out we were just strangers. Then with each passing day as we discussed, created, and planned together- the closer we became. You were no longer just our advisor or teacher- you were our friend. Through your own special way, you motivated us and helped us to grow and be successful together as a class. Although we admire your dedication and leadership, it was those kind words of friendship that we can not forget. As someone we could trust and depend on, you were there to listen- your door was always open. (and we took advantage of it!!) Your spirits were always high, and your devotion was strong and this of course is how we will always remember you. We'll miss you . . . The Class of '86 wishes you the best of luck!

Ruth Lockbaum
Class President

1986 CLASS HISTORY

It was September of '82 in what had just become our own GHS where we took our first steps together as friends, students, achievers, but mainly as the spirited Class of 1986. The year of graduation it seemed was an eternity away, but countless activities filled the gaps. Musicals, clubs, sports, and parties were among the best.

As Freshmen, Miss Mattioli was our advisor and our first year officers were: President; Ruth Lockbaum, Vice President; Glenn Esgro, Secretary; Gina Laspata and Treasurer, Kelly Swanson. Our days were spent with fundraisers in order to build our first float for homecoming 1982, and our nights were busy with construction of the dragon in Sleeping Beauty to the theme of "Fairytale". The float was victorious and we celebrated at the Homecoming Dance that same night. We were then crowned spirit week champs by winning the final activity, the hall decorating contest. The year flew by and after finally adjusting to our new environment it was time to leave.

In September of 1983 we were back again. As sophomores we somehow felt lost. We weren't upperclassmen yet, but we weren't the new, excited freshman class either. Soon though, we found that sophomores are just like everyone else and we had still another great year. Miss Mattioli was behind us again and our only change in officers was Tina Weidner as our new Vice-President.

Homecoming brought win number 2 in the float contest, as we paid tribute to three heroes of the 1960's. Our sophomore hop capped off the year. After months of preparation the evening of May 6th arrived and in our gowns and tuxedos we attended our first formal. "Time will Reveal" was our theme and Jay Wiggins and Ruth Lockbaum were crowned Prince and Princess of the court.

As juniors Miss Mattioli was still hanging in there but among our officers there were a few changes; Kelly Swanson now served as President while Tina Weidner took her place as treasurer. Two new faces were Brian Sprewell as Vice President and Maureen O'Driscoll as Secretary. Miss Blumenfeld was also helping with our activities. This year we were finally upperclassmen. One by one each of us obtained a driver's license and the fun never stopped. Our classes were tough but somehow the experience and respect we had gained made them seem easy. This was also the year some of us decided to take a different route by attending Gloucester County Vocational School daily. Our float "The Wonderful World of Disney" which starred Mickey Mouse and friends was built for Homecoming 1984. We were ecstatic to know we had won number 3. The hall decorating contest was replaced by a skit which carried the theme, "historical events". As Irving Carr and Brian Sprewell rapped out the past, others joined in by acting out the parts, and we took ourselves to victory, in this event too. In sports our school dominated the new Tri-County Conference as we had team championships in cross country, football, basketball, wrestling, and baseball. Our Jr.-Sr. Prom brought the year to an end. "Some Things Never Change" played throughout the elegant red room of Masso's Crystal Manor. At the end of the night Glenn Esagro and Ruth Lockbaum were picked as King and Queen.

In 1985 Miss Blumenfeld became our new advisor as Miss Mattioli took a new job. It was hard to believe we were finally seniors. Officers Ruth Lockbaum, Tim Lester, Sandra Pirri, Maureen O'Driscoll and Faustina Sippio were chosen to get us through our final year. The year brought about a successful senior dinner dance and homecoming. Anna Bowers was crowned homecoming queen after our first parade through town. *ET* was the title for our very last float competition. We waited all day for the announcement that we were 4 TIME CHAMPIONS!!

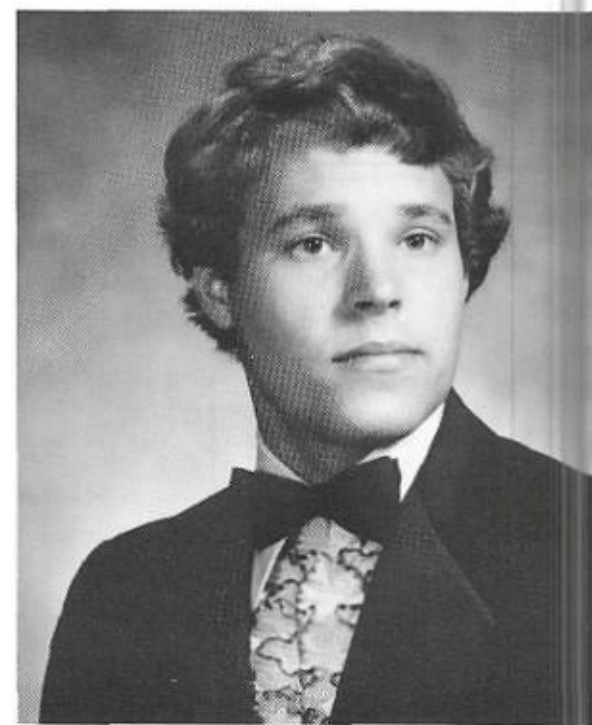

Our trip to Florida, and our graduation were our final activities as seniors, wonderful conclusions to our 4 superb years. When we leave here we will take the many lessons we have learned along the way. The friendships, the hardships, the fun — the sharing, the caring, we will never forget.

There comes a time in a person's life when she has to move on despite her reluctance to leave behind good friends and fond memories. It was with mixed feelings that I left Glassboro High School at the end of your Junior year. However, I felt confident that you were maturing into competent adults and I was pleased to know I had had a part in your growth. I miss you all and wish you well in whatever endeavors you pursue.
